WHAT IS JUNIOR ACHIEVEMENT? (JA)

Actually, we are now part of JA Worldwide, which is the world's largest and fastest-growing non-profit economic education organization. Our programs are taught to over 6 million students by classroom volunteers from the business community in both the U.S. and 86 countries worldwide.

Ourselfs-A program that introduces students to basic personal economics and the roles individuals play as workers, consumers, and family member. **(Kindergarten)**

Our Families-The role that families play in the Western New York economy and how and how they work together to make this community a good place to live **(Grade 1)**

Our Community-An exploration of how a community like Western New York works, with a focus on the interdependent roles of those who help make it work. **(Grade 2)**

Our City-Students conduct business operations, make city planning decisions, and examine economic development issues in a city. **(Grade 3)**

Our Region-Students learn about the state economy, the economic resources of regions, and decisions businesses must make. **(Grade 4)**

Our Nation-Students carry out activities for operating a business in the U.S. economy, including management, marketing, production and sales presentations **(Grade 5)**

Our World- A focus on world economic resources and systems, along with interaction in global trade using international currencies. **(Grade 6)**
