

BEC School Programs:

Junior Achievement:

The BEC provides this elementary curriculum as requested per school district. Junior Achievement at the elementary level consists of a local business volunteer teaching in the classroom. A total of 5-6 lessons over a six-week period is taught to students. These economic lessons are based on the NYS Education Social Studies curriculum.

Career Awareness:

The BEC continues to promote awareness opportunities for students, which highlight a wide variety of careers. As a resource for Wyoming County School's faculty and staff, the BEC will make the connections with employers and county agencies. Examples: business tours, career guest speakers, and speaker panels.

Job Shadowing:

Students spend a limited amount of time with area businesses for on the job training experiences. Students learn necessary skills, educational requirements, and attitudes to a specific job.

Character Education:

BEC assists schools districts in developing good student character by providing guest speakers to speak in the class room and promote basic principles of being honest, moral and dependable.

The Great Hospital Adventure:

Western New York R-AHEC's careers in health puppet show. A health and healthy behavior presentation designed for grades K & 1st.. Includes a live puppet show and a 13 minute video tape.

Criminal Court Day:

Middle and high school student sit in on actual court cases. Students have the opportunity to learn about careers in the criminal justice field and how the judicial system works.

Health Expo:

Provide students with a look into healthy lifestyle choices and careers in health care. Students listen to professional presenters and enjoy hands on activities.

Summer Career Camps:

Each camp is designed to allow students to explore a variety of careers and begin to understand the working world

Farm-to-School: Locally grown, nutritious fresh lunch choices for Wyoming County students.

Western NY Aviation Camp: Week long overnight camp. Students explore and plan their aviation education and career paths through hands-on practical experiences.
